Community Beautification & Enhancement Grant Policy

Effective Date: June 27, 2019
Review Date: June 27, 2024
Cancels: n/a
Resolution #: 433-2019

CAO Signature: 

Purpose: This policy provides funding for subdivision and community associations to undertake beautification including mowing and grounds maintenance.

Guidelines:

1. General

The following organizations will be eligible for funding through this grant program at the noted acreage allowance:

- Warwa Community Association (17 acres),
- Baybridge/Sunnyside Community Association (33.7 acres),
- Woodland Bay Community Association (21.5 acres),
- Jones Beach / Sherwood Cove Community Association (20.42 acres),
- Birchwood Estates Community Association (15.6 acres),
- Corsair Cove Community Association (30.2 acres),
- Highland Park Community Infrastructure Association (16.51 acres),
- Peavine Lake Romeo Community Hall Association (10.69 acres).

Additional organizations may be considered upon a written expression of interest to County Council and must be authorized as a participant through Council resolution.

Funding for this program will be budgeted annually by Council and is subject to change.

Council reserves the right to remove an organization from eligibility if the organization fails to demonstrate that mowing and/or grounds maintenance is occurring.

Administration will release approved funding to authorized organizations by June 1st annually.
