Resolution #: 122-17

CAO Signature: 

Purpose: Identifying numbers have been assigned to each Fire Station.

Policy Statement: Clear communication between Fire Stations, Lac Ste. Anne County Fire Services Members, mutual aid partners and the Emergency Control Centre, either on the ground of an emergency or over the radio for tactical purposes, is required.
By defining each Fire Station with an identifying number allows for that clear communication that is required during emergency responses.

Scope: This policy applies to all Lac Ste. Anne County Fire Stations.
